

2019 SEAPLANE SAFETY STAND-DOWN

In this informative two-hour session, we will address seaplane safety and review recent incidents and lessons learned from their occurrence. We will then refresh the group on procedures for flying in and around Seattle, with the hopes of preventing future mishaps.

SPEAKERS

Chuck Perry, *WSPA Board of Directors & Chief Pilot at Kenmore Air*
John Gowey, *Director of Flight Operations at Kenmore Air*

OCTOBER 30, 2019 6:00-8:00 PM

Pizza & refreshments will be served at 5:30 PM.
The seminar will begin at 6:00 PM.

LOCATION
